

Arboretum Nature Camp

FREQUENTLY ASKED QUESTIONS

Q: Do parents stay with their children at camp?

A: Arboretum Nature Camp is intended for independent child participation. Parents do not accompany their children beyond dropping them off in the morning and picking them up at the end of the day.

Q: Can parents choose to stay with their children at camp?

A: We do not allow parents to stay with their children once they are dropped off. We encourage those interested in a parent/child experience to explore our Acorns & Oaks program.

Q: What is the cost of Arboretum Nature Camp?

A: Members: \$425 per week; Non-Members: \$450 per week

Q: Do you offer a sibling discount?

A: We do not offer a sibling discount at this time.

Q: What are the hours of Arboretum Nature Camp?

A: The camp day is from 9am-5pm. Drop-off is from 9-9:15am and pick-up is from 4:45-5pm.

Q: Can I drop off my child later than 9:15am and pick up my child earlier than 4:45pm?

A: As a general rule, we do not allow regular drop-off and pick-up outside of the designated times, as it is extremely disruptive to the staff, schedule, and camper experience. If your child has a standing commitment that requires them to consistently be dropped off late or picked up early, we recommend attending a different camp that offers flexible attendance times. We are able to accommodate occasional changes in schedule, however these must be discussed and arranged with the Camp Director in advance. If we are not in the classroom at the drop-off or pick-up time, families are required to meet the group where they are in the garden.

Q: Do you offer extended care in the morning or evening?

A: We do not currently offer extended care outside the hours of camp.

Q: What is the age requirement for camp?

A: Our camp requires children to be between the ages of 5 and 10 years old. Children must be 5 years old by the first day of the camp they are registered for.

Q: My child is turning 11 but loves Arboretum Camp. Can they still attend?

A: Yes! We often have campers who have attended our camp before and remain eager to attend even when they turn 11. Because these children are familiar with our program and structure, they are welcome to return when they turn 11, with the understanding that curriculum will remain catered to ages 5-10.

Q: Can my 4 year old attend if they are mature for their age, or close to being 5 years old?

A: No. All campers must be 5 years old by the first day of their camp week, no exceptions. If it is discovered that your camper is under 5 years old, you will be asked to not return, and no refunds will be provided.

Q: What does a typical camp day look like?

A: Arboretum Nature Camp combines playful explorations of the garden with counselor facilitated projects. We start our day with a "Garden Adventure" wherein we explore different parts of the Arboretum with loosely guided

explorations and self-directed outdoor play, nature journaling, and more. We do two hands-on projects related to the theme of the camp each day, and break for snacks and lunch in between.

Q: Does the Arboretum provide snacks or lunch?

A: We do not. Campers are responsible for bringing their own snacks and lunches.

Q: Is camp held indoors or outdoors?

A: The majority of the camp day takes place outdoors, however we do use a classroom as our base, and some projects are conducted inside the classroom.
