REQUIRED INFORMATION:

A **Live-Scan** (electronic fingerprinting) process is required of all volunteers prior to volunteering at the Arboretum and is done in accordance with the laws and procedures set forth by the California Department of Justice and the Federal Bureau of Investigation. All live-scanning must be done at a Department of Parks and Recreation facility or a location designated by the Department. Some applicants may have recently gone through the live-scan process for another reason at another location. Unfortunately, according to the Department of Justice, these procedures completed outside of the Department of Parks and Recreation are invalid for our purposes and must be submitted through the Department of Parks and Recreation system.

I understand that it is my responsibility to read and comply with the guidelines and policies contained in the Volunteer Handbook which I will receive prior to volunteering. It is my responsibility to speak with my supervisor and/or the Volunteer Coordinator if I have any questions about the Handbook.

It is the intent of the County of Los Angeles Department of Parks and Recreation to provide equal opportunity to all volunteers in all terms, privileges and conditions without regard to sex, race, religion, national origin, disability or any other factor.

The Live-Scan process is done in accordance with the laws and procedures set forth by the California Department of Justice and the Federal Bureau of Investigations. All Live-Scanning must be done at a Department of Parks and Recreation Facility or a location designated by the Department. Some applicants may have recently gone through the Live-Scan process for other reasons and/or for other entities. Unfortunately, in compliance with Department of Justice regulations, these procedures completed outside of Department of Parks & Recreation, and for the position of VOLUNTEER, DO NOT satisfy the requirements needed. Live-Scans must be submitted with the information provided by the Department of Parks and Recreation, to be valid. For further information, or questions, on the Live-Scan process, you may contact the Interim Volunteer Programs Coordinator at 626-588-5125.

All volunteers must comply with "employment" procedures of both the County of Los Angeles Department of Human Resources and the Department of Parks & Recreation. A criminal record does not automatically disqualify a volunteer from a work assignment. The nature of the offense and type of work in which the volunteer will be engaged will be taken into consideration before a decision is made. The Volunteer Programs Coordinator of the Department of Parks & Recreation will review all criminal records to establish the eligibility of the applicant.

Questions about our volunteer program?

**Contact your local County of Los Angeles Department of Parks & Recreation facility, or
The Interim Volunteer Programs Coordinator at 626-588-5125 or email:**

volunteers@parks.lacounty.gov

Dear Arboretum Volunteer:

The Los Angeles County Department of Parks and Recreation and the Board of Supervisors mandates all volunteers be live-scanned (electronic fingerprinting) and cleared prior to volunteer Service.

At this time, live scanning is being performed through a private agency; **Daines Trading Live Scan Fingerprinting, located at 5532 Lenore Avenue, Arcadia CA**; phone (626) 485-3844 for a \$20.00 fee, for which you are responsible. Hermi Felix is the contact person.

You will be asked to complete a live scan form at your appointment. I am including a copy of the correct Live Scan form to bring to your appointment. Please be sure to retain a copy of this completed form at the time of your appointment and return the form to me for proper clearance to volunteer.

Please be sure you have a valid picture identification (i.e., driver's license) for your live-scan appointment. Student volunteers must bring their student ID with them to the appointment. You are not required to provide your Social Security number, although failure to do so may delay the processing of your scan.

All information provided on the form will be securely and confidentially maintained by both the County office and the Los Angeles County Arboretum & Botanic Garden. Your personal information is not at risk.

Live-scanning through other county agencies or entities (i.e. law enforcement) does not satisfy this requirement. Each department within the County of Los Angeles has its own contract with the Department of Justice, and DOJ rules prohibit sharing of records.

You will receive volunteer hours for getting live-scanned.

Report your hours (time spent being scanned and the actual time it took you to drive back and forth) to me.

Thank you for your understanding and cooperation. Your volunteer support of the Arboretum is greatly appreciated.
