WAYS TO GIVE

COLLECTIONS TREES – \$5,000

TRIBUTE GIFTS

Commemorate a wedding, birthday, anniversary, or remember a loved one by making an Arboretum gift in honor or memory of someone special. Gifts can be made in any amount.

Celebrate the life of someone special with a tree dedication. The Arboretum's collection of trees across our 127 acres has served as a source of natural beauty and inspiration for decades. A donation of \$5,000 will provide for the dedication of a tree from our existing collections and ensure the Arboretum's continued growth for future generations. Your tree dedication includes a personalized recognition plaque with two lines of dedication, 20 characters each. All trees are guaranteed for a minimum of 10 years or for the natural life of the tree.

MEMORIAL FUNDS

The Arboretum may be designated to receive donations in lieu of flowers as part of a memorial service. All donors will receive an acknowledgement from the Arboretum for their gift. A list of donors will be mailed to the family, without reference to individual amounts, notifying them of total contributions made in memory of their loved one. Memorial Funds may be designated to fund tree or bench dedications.

LANDMARK TREES – \$25,000*

Landmark Trees are either of historical significance, are in singularly unique locations, are one-of-a-kind, or are so mature in size and stature that they are reserved for this special category of tree.

BENCHES – \$35,000*

A bench dedication offers a wonderful place to rest and reflect while enjoying the beautiful Arboretum grounds. For a donation of \$35,000, a donor can work with Arboretum staff to find a suitable location for a tribute bench. Each teak bench is set on a new concrete pad to ensure the longevity of the wood and is guaranteed for 25 years. A bronze plaque can be customized with two lines of personalization.

**Gifts of \$10,000 or more can be pledged/paid over time.*
