The Arboretum
LOS ANGELES COUNTY ARBORETUM & BOTANIC GARDEN

Due to a new policy from the LA County Department of Parks and Recreation, all schools must have a signed Memorandum of Agreement (MOA) on file with the County to use any County Parks & Recreation sites. Since The Arboretum is a County site, we can only accept field trip reservations from schools and districts that have a completed MOA on file with the County.

The MOA application and approval process is handled directly by the County Department of Parks & Recreation, not by the Arboretum. The list below contains the names of all schools/districts the County has told us are approved to visit P&R sites. *If your school or district is not listed, it is because it either does not have an approved MOA on file with the County or has not submitted an updated "Certificate of Insurance" to the County to activate its existing MOA.*

We encourage any school not on the list to contact their administration and start the MOA process right away. For all the details, including application and contact information, please refer to the MOA FREQUENTLY ASKED QUESTIONS PAGE where you will find application and contact information.
